

Georgia Certified Court Reporters CE Preapprovals for 2024

The Georgia Board of Court Reporting (BCR) promotes interaction and exchanging ideas among court reporters in a professional educational setting. The following calendar lists courses that are pre-approved by the Board for continuing education credit. Updates are posted frequently and throughout the year.

Please note that all hours must be submitted to the [Georgia Courts Registrar](#) within 30 days after attending an educational activity (or by December 31, whichever is earlier).

We urge the submission of hours as soon as possible, **preferably before December 15**, as confirmations for receiving hours will no longer be sent out following that date. While hours submitted later will still apply to 2023, and can be submitted until December 31, they will be processed in 2024.
