The prospective applicant has a continuing duty to report any new or changed information regarding the prospective applicant's criminal history or professional licensing history immediately to Board staff.

C. Contracting and Networking

1. Prohibited Contracting

It is prohibited for certified court reporters or court reporting firms to enter into an oral or written contractual agreement for more than one case, action, or proceeding with any attorney, party to an action, party having a financial interest in an action, including an insurance company, or an agent for any such parties. Such cases, actions, or proceedings would include a deposition, court proceeding, administrative hearing, arbitration hearing, examination under oath, or sworn statement.

To maintain professional and ethical conduct within the practice of court reporting, the following are a non-exhaustive list of further prohibited activities:

- Giving any economic or any other advantage to any party, or any party's attorney, representative, agent, insurer, or employee, without offering it to all parties. This includes failing to provide comparable services, including price or credit terms, to all parties or the certified court reporter or court reporting firm otherwise providing financial terms or other services that are not offered at the same time and on the same terms to all other parties in the legal proceeding – except that different time of payment terms may be provided based on payment experience and creditworthiness.
- Basing the compensation for the court reporting services on the outcome of the proceeding or otherwise giving the certified court reporter or court reporting firm an interest, financial or otherwise, in the action.
- Entering into an agreement for court reporting services that restricts the noticing attorney from using the certified court reporter or court reporting firm of the attorney's choosing.
- Including a court reporter or business, entity, or firm providing or arranging for court reporter services on any list of preferred providers of court reporting services that is maintained by any person, business, entity, or firm that has entered into an oral or written contractual agreement for more than one case, action, or proceeding with any attorney, party to an action, insurance company, third-party administrator, or any other person or entity that has a financial interest in the case, action, or proceedings.

- Allowing the format, content, or body of the transcript as submitted by the certified court reporter to be manipulated in a manner that increases the cost transcript.
- Providing additional advocacy or litigation support services including, but not limited to, trial preparation assistance, deposition summaries, and non-published transcript databases.

2. Networking

There is some confusion between the terms “contracting” and “networking” when taken in the context of court reporting. Networking and contracting by their nature imply an agreement between two parties, but there is a clear and substantial difference between the two.

“*Contracting*” in the court reporting vernacular is simply an agreement between a court reporter or reporting firm and a party to an action, an insurance company, a law firm, or a third-party administrator to provide financial or other advantages to one party to a proceeding.

“*Networking*” in the court reporting profession is generally thought of as an agreement that a freelance court reporter or court reporting firm will provide services to another court reporting firm's client. The court reporting firm providing the service essentially becomes the referring court reporting firm's subcontractor. Terms are generally negotiated beforehand, including pricing; a referral fee or networking discount being offered, if any; transcript format; production and delivery; and the required completion of certain paperwork. Succinctly, networking is an arrangement between two service providers. There can be abuses in the networking arrangement, but these networking arrangements occur between court reporting firms, and the firms themselves are not a party to the litigation when “Networking” strict adherence to the Board of Court Reporting's Disclosure and Certification requirements are essential.

The AOC's Staff Attorney, or equivalent staff member(s), and the Director of the Office of Court Professionals, in conjunction with the chair of the Board, will review the complaint to determine whether jurisdiction may exist and whether the allegations, if true, would constitute a violation of (1) the Board's Rules and Regulations; (2) the Board's Code of Professional Ethics; or (3) Georgia statutes governing court reporting.

4. Recommendation of Dismissal of Complaint

The complaint may be dismissed without prejudice if preliminary review results in a finding that: (i) these Rules have not been complied with; or (ii) after construing the complaint in a light most favorable to the complaining party, that the allegations of the complaint disclose with certainty that no violation of the applicable rules or statutes has occurred, that the Board does not have jurisdiction of the matter, or that the relief sought by the complainant is not within the power of the Board.

5. Voluntary Dismissal

A complainant desiring to voluntarily dismiss a complaint may initiate the dismissal of the complaint without permission prior to the filing of a response. After a response is filed, the complainant shall be required to file a motion to dismiss, at which point notice shall be provided to the respondent by the Board. Dismissal is at

the sole discretion of the Board. The Board may dismiss a Board-initiated complaint without a motion.

6. Request for Documents

The preliminary reviewer or Board may, at any time, require more documentation or specificity from the complainant in regards to the complaint.

7. Service of Complaint

Persons and entities under the jurisdiction of the Board shall inform the Board, in writing, of their current name, mailing address, street address, e-mail address, and telephone number. The Board may rely on the information on file in any effort to communicate with, contact, or otherwise perfect service on the person or entity. If the person or entity elects to only include a post office box address to the Board, it will be deemed as a waiver of personal service. Acknowledgment of receipt of the complaint or a response will constitute conclusive evidence of service.

8. Intervention

Within its sole discretion, the Board, on motion at any time during the proceeding, may permit or prohibit the intervention of parties. Any non-party desiring to intervene must file a motion with the Board specifying the grounds for intervention.

9. Confidentiality

The status of a complaint will be communicated only to complainants, respondents, their attorneys, the Board members, and the Board staff. Once a complaint has been disposed of, and private discipline has been issued, no information about the complaint may be disclosed to a requestor. The discipline may be factored into subsequent disciplinary cases against the respondent. For cases where public discipline is imposed, the Board may release final disciplinary orders.

D. Responses

1. Response to Complaint.

Once the preliminary reviewer determines that a complaint should be answered by a respondent, it will forward a notification, via certified mail, to the respondent's address on file, enclosing the complaint therein. The respondent will have thirty (30) days to file a notarized response to the complaint. The Board may request further documentation or specificity after receiving the response.

2. Request for Hearing.

Either party may request a hearing. A respondent's request must be made in writing within thirty (30) calendar days of receiving the complaint. A complainant's request must be made in writing within thirty (30) calendar days of receiving a copy of the response to the complaint. Failure to adhere to these guidelines will constitute a waiver of the hearing. It is within the Board's discretion whether it grants a hearing if the right is waived. See D.4. below. The Board may require a hearing even if no party requests one.

3. Procedure Upon Receipt of Response.

Upon receipt of a response, the Board staff shall review the response to ensure that it complies with these Rules. Rules, the Board staff shall notify the respondent that the Board will not consider the response unless the defects are corrected within fifteen (15) calendar days of receipt of notice.

- a. **Non-Compliant Responses.** If the response does not comply with these Rules, the Board staff shall notify the respondent that the response will not be considered by the Board unless the defects are corrected within fifteen (15) calendar days of notice to respondent of the defects. If respondent fails to correct the defects within that time, the response will not be sent to the Board by Board staff. If they are corrected, the response will then be considered a compliant response as defined in the subsection immediately below.
- b. **Compliant Responses.** If the response complies with these Rules or is amended to comply within fifteen (15) days, Board staff will send the complaint and response to members of the Board, as defined below, for consideration.

4. Secondary Review.

Once the preliminary review has been completed and the respondent has filed a response, the Board may:

- a. Dismiss the complaint so long as it finds, after assuming all facts alleged in the complaint are true, that the undisputed evidence shows that a violation has not occurred;
- b. Require further documentation from the parties;
- c. Require a hearing; or
- d. Resolve the case without a hearing if a hearing has not been requested.

If the Board chooses to require further documentation from the parties, it may still dismiss the complaint in accord with the standards above or vote to hold a hearing thereafter. In the event the complaint is dismissed, it shall be with prejudice and may not be submitted again. Future complaints containing substantially similar allegations against the same court reporter shall be dismissed if the allegations arise out of the same set of underlying facts as those in the previously dismissed complaint. A dismissal does not deprive the complainant of any remedy at law or equity. If the respondent has requested a hearing, the Board may not make a final disposition of the matter without first holding a hearing, unless the right to a hearing is waived in writing by all parties.

E. Hearing

1. Notification of Hearing

In the event the Board elects to hold a hearing, the complainant and respondent shall be notified. The parties shall be given at least thirty (30) days' written notice by certified mail of the date, time, and location of the hearing. The Board staff shall arrange the hearing time and place and notify the parties and witnesses of such. The

location of the hearing may be fixed at any site in the State of Georgia, in the Board's discretion.

2. Participation of Complainant

The complainant shall appear at the hearing in person and may be represented by counsel. The Board may excuse the complainant from participation. In its sole discretion, the Board, upon advance notice, may allow or require the complainant to participate by way of a deposition, by video or telephone conference, or any combination thereof. If the complainant fails to appear, the complaint may be dismissed for failure to prosecute.

3. Participation of Respondent

The respondent shall appear at the hearing in person and shall be given an opportunity to present his or her response after a presentation of the complainant's case. Counsel may represent the respondent. In its sole discretion, the Board, upon advance notice, may allow or require the respondent to participate by way of a deposition, by video or telephone conference, or any combination thereof. If the respondent refuses or fails to appear without just cause, the Board may take appropriate disciplinary or other action in the absence of such response.

4. Hearing Officer

The hearing shall be presided over by a hearing officer. The Board may appoint one of its members or an independent third party as a hearing officer to preside over the hearing. The hearing officer's duties shall include making rulings on motions, filings, and objections and issuing a final recommendation to the Board. If the hearing officer is a member of the Board, the hearing officer may vote only if there is a tie vote among the other voting members.

5. Hearing Procedure

The hearing officer shall establish the order of the hearing. At a minimum, the complainant and respondent shall be given fair opportunity to be heard and present witnesses, including reasonable cross-examination of adverse witnesses. If there are insufficient members of the Board to constitute a quorum, then the parties may waive the requirement of a quorum, or consent to the attendance by a member by video or telephone conference, or both. Any such waiver shall be noted on the record.

6. Role of the Board

The Board may question parties or their witnesses at any time and will issue final findings of fact and conclusions of law.

7. Evidence; Burden and Standard of Proof

The Georgia rules of evidence shall apply but may be relaxed at the discretion of the hearing officer. At the hearing, the burden of proof is on the complainant to prove the alleged violation(s) by clear and convincing evidence.

8. Witnesses

Witnesses may be presented at a hearing by either party or by the Board. The Board shall issue subpoenas in blank to parties and their attorneys. It shall be the responsibility of the party or their attorney to serve subpoenas according to the terms of law. No hearing shall be delayed or continued for failure of a witness to attend unless a timely motion is made. Upon motion made, and for good cause shown, any witness may testify by video or telephone conference, or by deposition, provided that the right of cross-examination is preserved. Any person who testifies shall do so under oath.

9. Costs

The Board will bear the costs of recording and/or transcribing the hearing by a certified court reporter. Each party must pay for its own copy of the transcript, should it want one. The Board will bear any cost for the arrangement of space for the hearing. Otherwise, parties must bear their own costs in attending and participating in the hearing, including payment to counsel, costs of travel to and from the hearing, and any other expenses. Any party wishing to be declared indigent must make a motion setting forth the grounds for such a declaration at least ten (10) days before the hearing.

10. Executive Session

The Board may enter into executive session during or after the hearing to discuss findings or issues, or vote on issues presented during a hearing. Without limiting the preceding, the Board shall have the authority to exclude any or all persons during its deliberations on disciplinary proceedings.

11. Disposition

After a hearing, the Board will issue within forty-five (45) days a final disposition of the matter, in the form of written findings of fact, conclusions of law, and final order. The Board, for good cause and in its sole discretion, may determine that the time should be extended. The disposition shall be sent via certified mail, with return receipt requested, to all parties at their addresses of record.

12. Informal Resolution of Complaint

Efforts to resolve the complaint informally may be initiated by the Board, the complainant, or the respondent at any time. Any resolution reached by the parties must be submitted to the Board for approval. Upon approval of any resolution reached informally, all parties shall be notified in writing of the resolution reached, and any hearing shall be canceled.

13. Petition for Voluntary Discipline

At any point prior to the hearing, a respondent may petition the Board in writing to accept a petition for voluntary discipline in lieu of a hearing. If the petition is accepted, the resulting order will include all undisputed facts, the violations found, and the sanction to be administered. The order will be signed and dated by the respondent and the chair of the Board, at which point it will become effective.

Depending on the nature of the sanction imposed, the Board may choose to make the order public.

F. Sanctions

1. Confidential Discipline

The Board may impose confidential discipline if it finds that the respondent engaged in conduct that was inadvertent, purposeful but in ignorance of the rules, or under such circumstances that the Board concludes that the protection of the public and rehabilitation of the respondent would be best served by the issuance of confidential discipline. The discipline will not be disclosed to any parties except the include additional training, continuing education, or mentoring. Confidential discipline may take the form of either of the following:

- a. **Letter of Admonition.** A letter of admonition will be sent to the respondent by the Board staff detailing the conduct complained of, the findings by the Board, and the rules violated. A copy of the letter will be placed in the respondent's file and may be used in consideration of future discipline of the respondent.
- b. **Private Reprimand.** A private reprimand will be documented, and a document summarizing the reprimand will be placed in the respondent's file and may be used in consideration of future discipline of the respondent. Board staff will send a signed copy of the reprimand to the respondent. A private reprimand is considered the most severe form of confidential discipline.

2. Public Discipline. Public discipline is a matter of public record and may be disclosed to any person. Board staff may publish public discipline on the Board's website, in a newsletter, via email, or in any other manner reasonably calculated to reach the population most likely to find the discipline relevant. The Board may impose public discipline, which may include additional training, continuing education, mentoring, or a restriction on the types of cases to be handled by the respondent in the future. Public discipline may take the form of any of the following:

- a. **Public Reprimand.** A public reprimand will be documented, and a document summarizing the reprimand will be placed in the respondent's file and may be used in consideration of future discipline of the respondent. Board staff will send a signed copy of the reprimand to the respondent.
- b. **Suspension.** The Board may suspend the respondent's certification or license for a specified term, or an indefinite term conditioned upon compliance with those reasonable conditions imposed by the Board in its final order.
- c. **Revocation.** The Board may revoke the respondent's certification or license permanently.

G. Appeals

1. Appellate Body

An adverse decision of the Board of Court Reporting may be appealed to the Standing Committee on Court Reporting Matters of the Judicial Council of Georgia.

2. Procedure

An adverse decision may be appealed by the respondent within thirty (30) days of the Board's final disposition, by the filing of a notice of appeal with the Board staff. The Board's staff will notify the members of the Board of the appeal. The notice of appeal shall enumerate the errors complained of, shall state the grounds for each enumerated error, and shall state why the respondent contends the decision should be reversed or modified.

At the appellate hearing, the respondent shall present its argument first. After the respondent concludes, the complainant may be asked to present an argument if the complainant's presence is required. The appellate body may question the Board members (if present) as to the basis of the decision. The appellate body will deliberate outside the presence of the Board and parties.

Both the respondent and complainant are entitled to bring counsel to the appeal hearing.

3. Stay

The mere filing of a notice of appeal shall not stay enforcement of the Board's decision. However, if good cause is shown by the appellant, the appellate body may grant a stay against enforcement of the decision pending the appellate body's ruling on the appeal.

4. Transmittal of the Record

Within thirty (30) days, or within such extension time as may be allowed by the appellate body, the Board's staff shall transmit a copy of the entire record regarding the matter on appeal to the appellate body. The record will consist of the Board's decision and the evidence it considered when making that decision. The appellate body shall notify the appellant of the procedures to be followed on appeal.

5. Standard of Review

The appellate body will not substitute its judgment for that of the Board in regard to the weight of evidence or facts, but may reverse or modify the original decision upon a finding that substantial rights of the appellant have been prejudiced because the Board's findings, inferences, conclusions or decision are: (1) in violation of constitutional or statutory law; (2) beyond the authority of the Board in either substance or procedure; (3) clearly erroneous; or (4) arbitrary, capricious, or characterized by an abuse of discretion. Any decision by the appellate body is final.

H. Immunity

The proceedings of the Board are judicial in nature. Therefore, the Board, its members, its staff, the Standing Committee on Court Reporting Matters, its members, the Administrative Office of the Courts and its staff, the Judicial Council, and members of the Judicial Council have immunity under the law from civil liability for their judicial and quasi-judicial acts.

ARTICLE 13. ADVISORY OPINIONS

Any person may submit in writing to the Board a request for an Advisory Opinion. The Board may issue either Private or Public Advisory Opinions.

A. Private Advisory Opinions

A Private Advisory Opinion may be requested instead of filing a Complaint, for a person who seeks guidance as to whether certain actions or conduct are permitted under the Code of Professional Ethics or the Rules and Regulations of the Board. The person requesting the Private Advisory Opinion shall include all information relevant to their request. The Board may request additional information.

The Board shall keep confidential the identity of the person requesting a Private Advisory Opinion, and the identity of the person about whom the Opinion is requested.

B. Public Advisory Opinions

The Board may, from time to time, recommend publication of a Public Advisory Opinion which illuminates one or more of the provisions of the Code of Professional Ethics, or the statutes, rules, and regulations governing court reporting. These opinions may be based on facts derived from requested Private Advisory Opinions, deleting reference to the names and places of the parties, or upon an assumed statement of facts.

1. Review

The Judicial Council may review any Private or Public Advisory Opinion on its motion and may adopt, modify or reject it in whole or in part.
